MISSION

Garden & Gun is the only magazine that moves from the sporting life to lush land and gardens, from architectural pursuits to adventurous travel, from food and drink to visual splendor.

Garden & Gun is an idea about how to live a life that is more engaged with the land, literature, music, arts, traditions, and food of the South.

It is about appreciating the richness of the South and knowing how that understanding can enhance one's life and translate beyond Southern geography.

IT IS ABOUT A LIFE WELL LIVED.
